The Newark Branch of the National Association for the Advancement of Colored People is bringing Hazel Scott to the Mosque Theatre, Newark, on Friday, November 23.

We are sure from your evidenced interest in progressive and liberal movements, that you will be in sympathy with this phase of our program.

The appearance of Hazel Scott has now taken on a significance over and above her Artistry, in view of the reactionary stand taken by Washington D.A.R. on Constitution Hall.

We will appreciate your cooperation as well as that of your friends.

Make check or money order payable to Effa Manley
Post Office Box #14, Newark 1, N. J.
